

CALIFORNIA WING OPERATING INSTRUCTION 09

8 MAY 2008

Command

APPROVAL AUTHORITY – ES SPECIALTIES

Various regulations describe the responsibilities for authorizing or approving certain Emergency Services qualifications and operations. It is the policy of California Wing that this authority be delegated as follows:

1. The authority to issue and renew the Emergency Services specialty of Ground Team Leader is delegated to the California Wing Director of Operations (DO) or California Wing Deputy Director of Operations (DDO).
2. The authority to approve and coordinate any request for mission assistance from adjoining wings is delegated to the California Wing Senior Director for Preparedness or the California Wing Director of Operations (DO).
